Issue 002

October 2024

Back to school has been a very busy time. Please be aware of the kiss and go lines, children walking to and from school, and speed limits in the school zone areas. We will be out and about at a few events this month.

This month we will be attending uptown the TRICK or TREAT downtown on October 26th. Look for us also in the Homecoming Parade October 4th. And we will be also available on Halloween at the station to come by and Show off your costumes and grab some candy.
